RE: FUNDRAISING VIA A GOLF DAY

Geagte Contributor,

We present a Golf Day on the 25th of July 2013 in order to raise funds for our Congregation – the DRC Wonderboom. We urgently need funds in these difficult times. Therefore we take the liberty to approach you in this regard. We ask for a donation in the form of articles which we can present as prizes on that particular day. Naturally the name of your company will be propagated in the same time.

Feel free to contact me or Andre Botha (082 321 3439) if you have any enquiries in this regard. Your support will be appreciated. Godspeed with your work and your business!

Yours Sincerely!

Dr. C. S. Steyn [VDM]
